## Principal Appointment Announcement

**Tēnā tātou,**

Following the recent resignation of our long time principal Kim Gordon, the Bulls School Board of Trustees, along with the assistance of Evaluation Associates Ltd, has been engaged in the process of appointing a new principal for our kura.

This was a robust process, we have listened to the input from our community and the final stages were completed over the weekend.

It is with great joy and excitement that we announce Megan Syme as the new Principal for Bulls School.

Megan was selected for demonstrating high levels of competency in:

- Developing and maintaining our schools culture
- Leading vision, strategy and improvement
- Promoting the principles of Te Tiriti o Waitangi
- Communication skills and the ability to motivate and develop staff
- Managing systems, people, property and finance
- Curriculum, assessment and pedagogical knowledge
- Leading for high standards

Megan is a leader who truly embodies the values that make our school special. She leads with heart, always placing people at the centre — ākonga, kaimahi, and whānau. Her commitment to fostering strong relationships, nurturing a sense of belonging, and celebrating the strengths of every individual has shaped our school in powerful ways.

The Board wishes to extend our heartfelt thanks to our staff, whānau, advisor and wider school community for your patience, trust, professionalism and ongoing support throughout this process. Your belief in our kura and its future has been invaluable.

As we look ahead, we do so with excitement and certainty, knowing our school is in the hands of someone who understands and cherishes the essence of who we are. Ngā mihi nui,

Thomas Cookson

Presiding Member **Bulls School Board of Trustees**
